Becky:

I will update you daily, and include regional folks here periodically to make sure everyone is on the same sheet of music.

Were there any points I missed from the meeting yesterday that you think I should include when providing the information to Regional Leadership or that you need to brief those at HQ regarding Gold King Mine related FOIAs.

Subject: Gold King Mine FOIAs (Special Weekly Report)

In an effort to keep everyone up-to-date on FOIAs relating to the Gold King Mine I have attached a FOIA report which shows all requests currently received regarding this location. The regular Weekly Open FOIA Report will be sent out separately.

Summary:

There are 13 FOIAs relating to Gold King Mine currently open. **Twelve** are related to the release that occurred last week.

HQ - 2 (All Media Requests)

R6 - 1 (All Media Requests)

R8 – 9 (6 Media, & 3 Citizen Requests)

R9 - 1 (Media Request)

A.) A Team of FOIA Coordinators will be working with ORC to make assignment and

tasking determinations. OCPI will be consulted before releasing FOIA responsive documents.

B.) We are working with HQ FOIA staff to consolidate 2 Multi-regional FOIAs to provide a single FOIA response from the agency.

1.) Consolidate FOIAs ending in 009764(HQ), 009765(R6), 009766(R8) & 009767(R9) and respond under FOIA 009766(R8).

2.) Consolidate FOIAs ending in 009776(HQ), and 009777(R8) and respond under 009777(R8).

After consolidating these FOIAs into single responses, all Gold King Mine Release related FOIAs will be responded to by Region 8 FOIA Office.

C.) The Regional FOIA Officer is ensuring all responses are coordinated with Region 8 OCPI and ORC.

D.) Becky Dolph, Region 6 and 9 will provide some assistance in document review and redaction in order to complete the FOIAs.

E.) All Gold King Mine Release FOIAs have been granted Expedited Processing.

F.) All Region 8 FOIAs have initially been assigned to ECEJ and will be re-assigned and tasked once the team assesses who regional and agency document custodians are.

G.) The FOIA Officer will issue updated reports no more than once a day to add additional FOIA requests entered from the day prior.
